1/ These figures are representative of the consumption of fluid milk products in Federal milk order marketing areas, and represent approximately 81 percent of total fluid milk sales in the United States. 2/ Total fluid milk products include plain, flavored, and miscellaneous whole milk products, plain, flavored, and miscellaneous reduced fat, low fat, and fat-free milk products, eggnog, and buttermilk. 3/ The data for 1999 are the simple summation of the data for the orders that were consolidated. For those orders that also include partial marketing area changes or the addition of unregulated area, the figures for the previous year were adjusted for these marketing area changes, mainly based on population. Percent changes are based on this estimated 1999 data. Percent changes also have been adjusted for calendar composition, including the extra day in February 2000. 4/ The data for these markets have been combined for reporting purposes.
